

By now you are all aware the school is having a FAIR on the 19th of November this year, we are asking for help from the parents, grandparents, caregivers, and the local community and businesses. For the fair to be a success we need YOUR help, generosity and support!

There is a lot of planning and preparation required to ensure that our Fair runs smoothly, offers an affordable fun day out for everyone and raises money that enhances our children's education and school environment.

If you are interested in being a FOTS member, a class representative, a stallholder (FOOD) or help in any other way, please contact one of the committee members (numbers below).

POTTING MIX

This week we are also looking for some Potting Mix. We have a small group of people who are willing to sew some seedlings for our GREEN STALL, but we are in desperate need of potting mix. If you can help please let the office know.

DONATIONS/SPONSORSHIPS.

Thank you to all those families who brought in Cans over the past couple of weeks we have had an outstanding response of over 150 cans what a great start to our collections!

We are looking for donations of new products and/or services for raffles etc. If you know of people or companies who may be in a position to assist with a donation of goods, cash, or sponsorship please contact Fiona McQuay or free to pop into the office and pick up a donation letter.
