NZ POLICE

NZ Police recently launched a new non emergency number, 105. We've done this to make it easier to get hold of us in the event of non-urgent situations or 'Things which have Already Happened', which don't require Police assistance immediately. You can call us on 105 for all non emergencies, or

- you can go online at $\underline{\text{105.police.govt.nz}}$ to report things like:
- Lost property
- Theft for a public place or car
- Intentional property damage
- Or to get an update or add info to a previous report

In the event of an emergency, always call 111 - Things that are Happening Now.
