Support for Principals

The teachers and support staff of Beach Haven Primary are joining with their colleagues all over the country on 9th August to call on the government to give primary and intermediate principals a fair deal. We need your support as we stand up for our principal, and all principals.

Teachers recently won pay parity with their secondary colleagues, because a teacher is a teacher, regardless of the age of their students. But the government refused to give primary and intermediate principals parity with principals of comparably sized secondary schools, or any support for growing workloads. In small schools, principals are doing a complex job but often without any extra support, and while teaching as well. And these principals are often paid less than some teachers in large schools.

We're calling on the Government to do the right thing by principals. It's only fair.

On the 9th August, we'll be **wearing green**. Please come out and support the principals of Aotearoa, who do such a vital job leading the teaching and learning in our schools.

REPEAT.**

Childrens After School Arrangements

Please advise/remind your child/ren before school about after school activities or pick-ups as children are not always in class to receive intercom messages. We understand that emergencies arise during the day and we are happy to pass on those messages.

Footpath Repairs

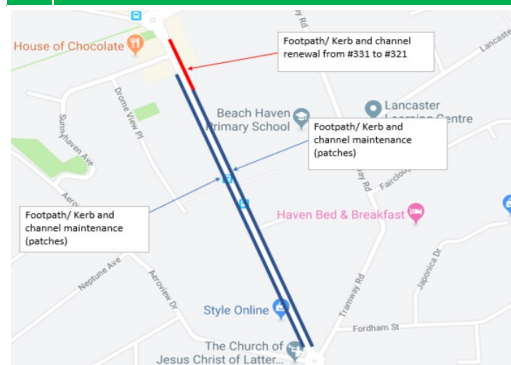

There will be work carried out on the footpath on Rangatira Road over the next 7 weeks. Please be very careful when you walk to school during this time and be aware of traffic congestion around the school entrance.
