Term 3 , Week 4

Term 3 Information

The school calendar on our website is updated regularly and this will keep you informed of upcoming events. We will not be producing a term planner as we are trying to be more eco-friendly and reduce our paper usage.

Rangatira Road Entrance Temporary Closure

We have just received notification that the road works on Rangatira Road will mean the closure of the entrance from that side of the school for two weeks from this Friday

(16th). We will be placing the teacher on road patrol at Rangatira at the top of Aeroview Drive by the roundabout to assist any students who cannot cross elsewhere. We would encourage you to speak with your children if this affects their normal travel to and from school ASAP and make plans for an alternative route during this time.

We apologise for the inconvenience and please know we will be working with the road safety team to ensure the students safety is at the forefront.

Head Lice

We have had a couple of cases of head lice reported last week so please remember to check your children's hair regularly. We have treatment available at the office should you require it.

AVAILABLE ONLINE ONLY

Go to www.lunchonline.co.nz to set up your online account to order. Minimum \$10 top up. Available to order every Friday. If there is a problem with your order please let us know immediately so we can notify Pita Pit.

Change of Clothes

Please ensure your child has a spare change of clothes in their bag each day as the field and playground are very wet at this time of year and we are also training for Cross Country. Remember, no spare clothes means no playing on the field.
