Term 3 , Week 9

### Assembly

On Monday the 23<sup>rd</sup> of September our School Assembly will be held at 2.15pm.

### Production

Next week is Production week, the children and teachers have been hard at work rehearsing their items. We are getting a load of questions so here are some answers to the FAQ's;

#### ***When should I drop off and pick up?***

Children should be dropped off about 5.30pm on the night and can be collected at 7.40pm from the class. No one will be allowed to leave early as all children are part of the finale item, so please don't come and get your child after they perform. Children should have a meal before they come, we will have some snacks in the class however you can pack a lunchbox if you think your child might be especially hungry. Also please make sure your child brings a drink bottle with them on the night.

#### ***Do I need to attend every show?***

**No** you can drop your child to the shows your not attending they will be supervised by staff and kept in classes for the duration of the time

#### ***Can I leave after my child has performed?***

**No** please don't, as it's not a very nice experience for everyone else enjoying the show or for the other students performing when people get up and leave in the middle of the show.

#### ***Does my child need to be at every show?***

**Yes** please - the children have worked hard on these performances and we would love for everyone to get to show this off at every show.

#### ***Should I come and hang out in the class with my child on the night if I'm not attending the show?***

**No** It will be very busy; we will be doubling up classes so there will be a lot of people in each room. We ask that you drop and go unless you have been asked to stay specifically by the teacher.

#### ***Is the performance being recorded?***

**Yes** some students from Birkdale College are recording the Wednesday matinee. We hopefully will be able to sell copies at a later stage.

### Goodies this week...

### Duffy Role Model Assembly

Michel Mulipola is a graphic artist, Professional Gamer and Professional Wrestler! He's living the dream! He inspired the children at Beach Haven Primary to dream big and not take ourselves too seriously. We really enjoyed listening to how he made his dreams a reality.

### Room 6 & 7

Room Six and Seven have had a spooktastic time of late! They got down with the ghouls at our Freaky Friday disco and have been mashing with their monster mates to prepare for our up and coming production number, 'The Monster Mash'. Here is a sneak peek into what we have been up to. We look forward to seeing you at our shows!

### Appointments

Please try to make appointments for your children after 3pm whenever possible as picking up children during the day can be very disruptive. Thank you for your understanding

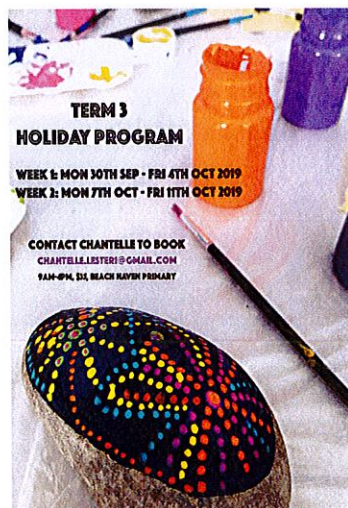

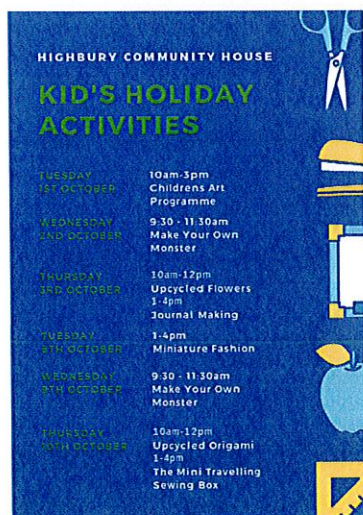

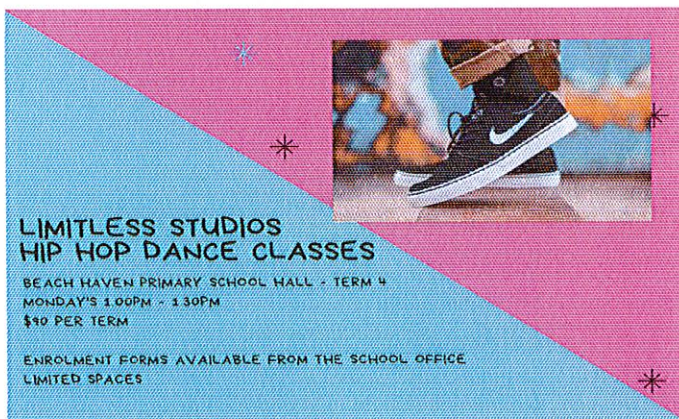

## School Vege Garden

This is the first potato tower in our school garden that children are creating with Mrs Keeley during CRT. We are keeping our fingers crossed that we will have potatoes for Christmas this year.

## Birkdale Beach Haven Community House

We have so many local people hungry and struggling this winter. As a local organisation of Birkdale and Beach Haven are you able to help?

1 – A donation of any amount to help purchase dry stock and items for our monthly cooking bees.

2- Having a box at your work place and asking staff and visitors to your workplace to donate cans and or dry stock. If you would like a box please let me know and I will organize to have one dropped off.

Thank you for your support.
