

Thursday 28th November 2019
Term 4 , Week 7

BIG DAY IN

Tuesday 17th December

To celebrate the end of the school year all students will be participating in a **BIG DAY IN**

This fun day will include water slides, bouncy castles, nerf wars, popcorn, sausage sizzle, and so much more...

Costs will be covered by your activity fee, children will need sunblock, sunhat, a change of clothes, towel and bag for wet gear, snacks and a drink - sorry parents as its onsite we do not require your assistance this year!

Onepoto Festival

We are all so proud of our tamariki who performed at the Onepoto Festival last week and at the Auckland Town Hall last night. You were outstanding! The many hours of training Mrs Dacey puts in with you all certainly paid off. Thank you to all the whanau who came to support us and helped to get the children dressed for these events. It was a huge honour to be invited to perform at the APPA Concert and you represented Beach Haven Primary beautifully.

APPA Choir

Congratulations to our APPA choir on an amazing show last night at the Town Hall. We had rave reviews from those who attended. Mrs Kumar your dedication to the choir ensured a very polished and enjoyable performance. We are on the right side of the photograph in the burgundy and white shirts.

Room 12

In Room 12 we have been using 'Big Books' in Maths. The last few weeks we have been reading a book called **Maths and Me**. We have learnt about counting, categories, making questions, collecting data and displaying these on graphs. Last week Room 12 students formed the question "Where do you like to play at school?" and went into junior classes to collect some data with three options 'field, playground or courts'.

The following day the students used their collected data to make a pictograph showing the most popular areas in our school to play. The learning conversations about what

they discovered were really interesting. "Not many people like to play on the courts", "Lots of people like to play on the field", "This graph has seven and seven, they are the same". It was great to hear the maths language as the students worked together in their groups. Here are some photos during the graph building stage. You are welcome to come and check out the graphs in our classroom.

Complimentary tickets are available from the office for A Christmas Tale at the Logan Campbell Centre, Green Lane on the 7th December.

Sending Love Drop Box 2019 (drop-off here by 15th December)

Sending Love is about people and communities coming together to make a festive gesture towards another person who may experience loneliness over Christmas. It is one person putting love and thought into a card to pass a smile and a sense of feeling remembered and loved onto another person.

Everything you need to know...

- Make sure your card is full of love
- Make it as creative as you can
- Ensure it has a legible message
- Keep your envelope unsealed
- Just be you!

Deck the Hall
